team defeated the L. D. S. five in a same of the high school series played in the Descret gymnasium Friday afternoon. The score was 27 to 26. The game was fiercely contested throughout and the teams were so evenly matched that it was anybody's battle in the greater part of the playing. The freshmen, however, appeared to have better luck and managed to land with one point in the lead at the call of time.

The game opened with both teams playing great ball. The "Saints" made three baskets before the freshmen scored. Gallacher threw the first basket of the game. Lund pitched two more. This started the freshmen working, and Briggs landed a basket. The East-siders soon caught the L. D. S. men and by the end of the first half had piled up a score of 14 to their opponents' 11.

At the beginning of the second half the freshmen took a stiff brace and by making three or four quick baskets took the lead over the "Saints" by ten points. The L. D. S. team then took a sprint that nearly secured the game.
